I got terrifying news
And it's nothing but the truth
Oh I can't hide no more
I got some troubles in my heart
Now it's tearing' me apart
And I can't find no door
It's so hard to explain
And no way to quit the game
'Cause I'm in too deep
I can't get no sleep in the night
Oh
I'm in love with two ladies
I'm in love with two ladies
I didn't look for two, no
I'm in love with two ladies
I'm in love with two girls
Who love me too
(Ladies): Uhuhuh he's in love with two ladies
He's in love with two ladies
There ain't no doubt, no no
I'm in love with two ladies
I'm in love with two girls and no way out
All the secret rendezvous
Made me fear that I could lose
The treasures in my hands
I still don't know where I belong
So I dedicate this song to those
Who understand
It's so hard to explain
And no words can ease the pain
If you're in too deep
You can't get no sleep in the night, oh
I'm in love with two ladies
I'm in love with two ladies
I didn't look for two, no
I'm in love with two ladies
I'm in love with two girls
Who love me too
(Ladies): Uhuhuh he's in love with two ladies
He's in love with two ladies
There ain't no doubt, no no

Solo: Sax

I'm in love with two ladies

I'm in love with two ladies

I didn't look for two, no

I'm in love with two ladies

I'm in love with two girls

Who love me too

(Ladies): Uhuhuh he's in love with two ladies

He's in love with two ladies

There ain't no doubt, no no

I'm in love with two ladies

I'm in love with two girls and no way out...
