(Morris Minor/ Olegna)

I should have known better baby
Than to lose my heart to you
I should have known better maybe
But my heart felt always true
It could have been better baby
And that's all that's left to say to you
You know I'm a lonely rider
And I'm riding don't know where
You know I can't be the fighter
Fighting for you and me
We should have known better baby
I wanted to go on but I can't stay
I'm a lonely lonely fighter
On my own and by myself
I'm a lonely lonely dreamer
On a road that never ends
Oh we could have been so lucky
But I'm never satisfied
I'm a lonely lonely climber
High is not high enough
Don't ask me why
It could have been better baby
It could have been romance
Though we have so much to share
I won't give it another chance
I never tried to picture ourselves in a higher sphere
But I never meant to hurt you
If you need me I'll be there
I'm a lonely lonely fighter
On my own and by myself
I'm a lonely lonely dreamer
On a road that never ends
Oh we could have been so lucky
But I'm never satisfied
I'm a lonely lonely climber
High is not enough
Don't ask me why
How should I live without those feelings
How can I live baby tell me now
Oh I cannot give up all my freedom
I could never live like a bird in a cage

I'm a lonely lonely fighter
On my own and by myself
I'm a lonely lonely dreamer
On a road that never ends
Oh we could have been so lucky
But I'm never satisfied
I'm a lonely lonely climber
High is not high enough
Don't ask me why
