the hands are reaching for the 3 and the 12
but the limbs and the lights arent fading
the tangled figures
they all stay just to spite
the secret life shes parading
silent sin can speak and sing you the ways
a cabaret where secondhand hearts can play
the classic dance between the fringe and the fray
where the hips can play

romance in a slow dance
at the scene of the scar laces lovers and hearts
silhouettes (shes gunna get it)
take a chance (shes gunna get it)
make the heat in the sheets like noone can

she shakes and makes her whispers barely discreat
while the pace and the breath starts to quicken
a foreign shadow starts to enter the room
that proves that hes not the victim
they dance in the dark, locking rhymths with art
a fragile cliché burns at the seems (at the seems)
a dash of a pssionate,
a violent flash
and it puts an end to all thats obscene

shes gonna get it

romance in a slow dance
at the scene of the scar laces lovers and hearts
silhouettes (shes gunna get it)
take a chance (shes gunna get it)
make the heat in the sheets like noone can

dance like noone can
woahh-yeaah!

dance like you dont know
shes gonna get it,
shes gonna get it

dance like noone can

woahh-yeahh!!

SHE DONT KNOW WHATS COMING!

romance in a slow dance
at the scene of the scar laces lovers and hearts
silhouettes
take a chance
make the heat in the sheets like noone can

romance in a slow dance
at the scene of the scar laces lovers and hearts
silhouettes (shes gunna get it)
take a chance (shes gunna get it)
make the heat in the sheets like noone can
