I just got your message baby  
So sad to see you fade away  
What in the world is this feeling, catch a breath and  
leave me reeling?  
It'll get you in the end, its God's revenge

Oh I know I should come clean  
But I prefer to deceive  
Everyday I walk alone and pray that God won't see me  
I know it's wrong, I know it's wrong

Tell me, why is it I'm digging your scene?  
I know I'll die, baby

They put you in a home to fill in  
But I wouldn't call that living  
I'm like a boy among man, I'd like a permanent friend  
I'd like to think that I was just myself again

Oh tell me, why is it I'm digging your scene?  
I know I'll die, baby

I just got your message, baby  
So sad to see you fade away  
I'm like a boy among men, I'd like a permanent friend  
Well, I'd like to think that I was just myself again

Oh tell me, why is it I'm digging your scene?  
I know I'll die, baby

Oh tell, me why is it I'm digging your scene?  
I know I'll die, baby

Oh come on, baby  
Oh come on, baby
