HEY!Mr. Snufflupagus!  
I like your trunk!  
So does Big Bird!  
Shove it up my ass!  
Can you tell me how to get  
How to  
Where the boys all like to be beat  
How to get to Sesame Street  
Where there's lots of BUMHACKEY!  
Bumhackey, bumhackey, bumhackey, bumhackey!  
Look at Mr. Hooper  
Now he's fucking dead  
Everybody knows he was giving Grover head  
Look at Grover, he has skinny arms and legs  
What he got from bumhackey was Mr. Hooper's AIDS!!!  
Can you tell me how to get  
How to get to Sesame Street  
Where the boys all like to be beat  
How to get to Sesame Street  
Where there's lots of BUMHACKEY!  
Bumhackey, bumhackey, bumhackey, bumhackey!  
Ever wonder about Ernie and Bert?  
Everybody knows that Bert's a great big flirt  
Two boys living alone  
Susan and Gordon can hear 'em moan  
Can you tell me how to get  
How to get to Sesame Street  
Where the boys all like to be beat  
How to get to Sesame Street  
Where there's lots of--  
BUMHACKEY!!
