Wanna come and see my tickle trunk, it's got a lot of

Let's draw dirty pictures on the drawing board
And let's go play with my puppets some more!

And make some b-bitchin'
Come on Casey, come on Finnegan
We'll go to the treehouse and I'll shove a cork up your
asshole!

I want Friendly Giant!
Come on in!Gerome!
And you stupid lookin' chicken, I'm gonna roast you
until you're fried!
AAAARRRGGGHHH!!!
