[The Osmonds cover, unreleased]

There's a message floatin' in the air.
Comes from, Crazy horses ridin' everywhere.
It's a warning, it's in every tongue.
Gotta stop them crazy horses on the run.

[CHORUS]

What a show, there they go smokin' up the sky, yeah.
Crazy horses all got riders, and they're you and I.
Crazy horses (repeat 3 times)

Never stop and they never die.
They just keep on puffin' how they multiply.
Crazy horses, will they never halt?
If they keep on movin' then it's all our fault.

[Repeat chorus]

So take a good look around,
see what they've done, see what they've done --

Crazy horses. [repeat several times]
