Hello sweet victory  
So nice meeting you here  
Mmm, mmm  
So strange when you think about it  
I never did anything out of my way  
I just strayed...  
CHORUS  
Out in the fields of my love  
Out in the fields of my love  
Out in the fields of my love  
Well met and thank you  
I'm glad you taught me so well  
It was fun being around for a while  
So sad you have to stay here  
Or, can you spread out your wings and fly with me...  
CHORUS  
-----
