Stars in your eyes
little one
where do you go to dream?
To a place we all know: The land of make believe.
Shadows tapping at your window

Ghostly voices whisper: Will you come and play?
Not for all the tea in China
or the corn in Carolina

Never
never ever - they're running after you
babe.
Run for the sun
little one
you're an outlaw once again.
Time to change;
Superman will be with us while he can -
In the land of make believe.

Something nasty in your garden's waiting
Patiently till it can have your heart.
Try to go but it won't let you
don't you know it's out to get you
Running
keep on running
they're running after your
babe.
Run for the sun
little one
you're an outlaw once again. . . .
Your world is turning from night to day

Your dream is burning far away.

Into the blue
you and I to the circus in the sky

Captain kid's on the sand

With the treasure close at hand -
In the land of make believe.

Run for the sun
little one
you're an outlaw once again. . . .
Run for the sun
little one
you're an outlaw once again. . . .
I've got a friend who comes to tea
And nobody else can see but me.
He came today but had to go. -
To visit you? You never know.
