People people people try to get in my face
Say, "Who the fuck are you get outta my way"

Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall

Swallow your bullets and drink your mace
Now who the fuck are you get outta my face!

Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall

Run run run gonna chase you down
When the cops comin' at ya get outta town!

Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall

People are fucked, gonna fuck you too
When the cops come around you know what I do.
I jump the wall!

Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
Jump The Wall, Jump The Wall
JUMP THE WALL I SAID JUMP THAT FUCKING WALL!
