"Thank You"

My mama always says that
Im the best there is
My daddy always tells me
Theres a big bright future
My little sister Katie
Shes so pretty
She said she wants to
Be like me someday
Im never gonna get it
Its all a big mistake
I wanna thank you
You can go right now
Somebodys sinister
Has to take a bow
You will never ever gonna get your
Vengeance/ to heaven
My boyfriend used to tell me
Im a biggest tease
Try this try that
Its all part of getting
A start
All they know is
Im some little girl
Innocent naÃve
A very uncontagious girl
Move on
