Chicago- Brittany Flickinger

What do I do?
I miss you, so
You held my hand
No, I just can't let go

Pick me up in a jet
We can get married on the moon
And listen, my hearts weak too
So I wrote this for you

CHORUS:
I'm in love with a boy from Chicago
His last words remain
And now I'm left wondering why
I sit alone here and cry
I'm waiting....
I'm in love with a boy from Chicago

I fell in love
It broke my heart
We need to be together
Instead of falling apart

When he touched my lips
It was hard to swallow
But if he went to hell
Then I'd still follow

REPEAT CHORUS

I try I try to let this go
But my heart aches without you, ooh
And I'm sorry that I made this song
Cry as hard as I do
(2x)

When I'm with you
I feel like I'm dreaming too
I'm always thinking about you
I can't get you out of my head

I don't know about you
But I meant every word that I said

I borrowed money from a train
My heart went rapidly
Can I make this anymore clear
I'm still not over you
And I want you

REPEAT CHORUS

Oooohhh
From Chicago... Ooooh
A boy from Chicago
