Why you treat me the way you do?
I always tried to be good to you
I got you back upon your feet
Is this the way that you repay me

What would make you think
that it's needed
When I never lied, and never cheated
So say good bye to everything we've ever had

Got me asking Why You Treat Me So Bad

Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
(Why you do me the way you do)
Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
Why You Treat Me So Bad

The night are long
when your gone
You've got me sitting by the phone
It's starting to feel like a game
'Cause when we talk thing
just ain't the same

I feel so alone when we're speaking
I hear it in your tone that you've been creeping
So say goodbye to everything we've ever had

Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
Why You Treat Me So Bad

It's gone too far, I can't sit around

I know I'm worth so much more
Thought it could work, but no more mistakes
I've taken all that I can take

(every word) Every word
(every lie) Every lie
I just couldn't deny
(every time) Every Time
(that I cried) That I cried
I was living a lie
So say goodbye to everything we've ever had

Got me asking Why You Treat Me So Bad

Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
Why You Treat Me So Bad
(I don't know why baby)
Why You Treat Me So Bad
Why You Treat Me So Bad
