Close your eyes  
Don't you know  
you're not alone  
I'll be right here  
beside you

Take your time  
There's no rush  
to growing old  
Just put all your fears  
behind you

And I won't say  
It'll be easy  
And I won't say  
you won't cry

Chorus:

There'll be times when  
you'll be waiting for me  
Cold and tired  
and lost and lonely  
You know I'll  
always be here

And you know that  
I'll be waiting for you  
I will be the one  
to show you  
Can't see it  
In my eyes  
That I will  
Be right by  
your side

\*\*\*Instrumental\*\*\*

Sweet sixteen  
Still so much  
for you to know  
Seems like yesterday

I held you

In my dreams  
I still see you  
as a child  
With a world  
to understand

And when you're  
asking them "Why?"  
I'll still be here  
when you cry

Chorus:

There'll be times  
When you'll be  
Waiting for me  
Cold and tired  
And lost and lonely  
You know  
I'll always be here

And you know that  
I'll be waiting for you  
I will be  
the one to show you  
See it in my eyes  
That I will be  
right by your side  
The faster that you grow  
The time will come to go  
The only thing I know  
Is you'll be alright

You'll be alright

Chorus:

There'll be times  
when you'll be waiting for me  
Cold and tired  
and lost and lonely  
You know  
I'll always be here

And you know that  
I'll be waiting for you  
I will be the one  
to show you  
See it in my eyes

Can't you see it  
In my eyes?

That I will

Be right by

Your side
