Bobby Kidd
"Stayed Too Long"

I know it's me
I know
I'm just too weak
So I leave you
hangin' on

I'm losing sleep
I could lose everything
If only I was
Strong enough
to leave you
I'd be
Strong enough
to Live

I don't even
know why____
I stayed
too long
It's too late to pretend

I'm moving on!

I know
I feel
that what
I'm doin' is wrong
It's time
I'm gone
I know
I stayed too long

instrumental

I watch you sleep
I hear this voice inside
The one who
wants to leave

I'm into deep
I'm in over my head
This time

I will be
Strong enough to
leave you
I'll be
Strong enough
to Live

I don't even
know why___
I stayed too long
It's too late to pretend

I'm Moving on!

I know
I feel
that what
I'm doin' is wrong
It's time
I'm gone
I know
I stayed to long

It tearing me down
It's pulling me under
And I wondered
Why?
If it is so right
Then why does it
feel so wrong
I know
I stayed too long

I don't even
know why___
I stayed too long
It's too late to pretend

I'm __Moving__ On!

I know
I feel
that what
I'm doin' is wrong
It's time
I'm gone
I know
I stayed too long

I don't even
know why___

I stay too long
It's too late to pretend

I'm Moving on!

I know
I feel
that what
I'm doin' is wrong
It's time
I'm gone
I know I stayed too. I'---..

I don't even
know why_____

it's too late to pretend

I'm Movin On!

I know
I feel
that what
I'm doin' is wrong
It's time
I'm gone
I know
I stayed too long
Stayed too long
