I wanna run Away from this But still your kiss And one more wish Will bring me back

MotoLyrics

And in your arms Like once before I want you more And now lÂ'm sure ItÂ'll bring me back

And as IÂ'm standing here IÂ'm all alone And IÂ'm thinking back And I hear your voice, I turn around But youÂ're still so many miles away

Chorus: You know that I You know I never Let a day go by YouÂ're not on my mind This time You know IÂ'm coming Baby, back to you And until I do IÂ'll think of you

Instrumental

The time has come Nothing left to say In 15 days IÂ'll find my way ItÂ'll bring me back And as IÂ'm lying here lÂ'm all alone And I think of you Then I see your face

l just reach out But youÂ're still so many miles away

Chorus: You know that I____ You know I never Let a day go by YouÂ're not on my mind This time____ You know IÂ'm coming Baby, back to you And until I do I think of you Oh, I think of you

Yeah I think of you Oh You..... And as lÂ'm lying here IÂ'm all alone But youÂ're still so many miles away Yeah ah ah

Chorus: You know that lÂ..... (I ___I ___I ...) You know I never Let a day go by YouÂ're not on my mind This timeÂ..... You know lÂ'm coming Baby, back to you And until I do I think of you
