I got blisters on my fingers  
My back's so sore  
I spent all my money  
On some pretty two dollar whore

I'm a hard work drivin' man  
I'm a hard work drivin' man  
I'm a hard work drivin' man  
Hard work drivin' man

All day long I work the factory floor  
I ain't gonna do that no more  
Boss man needs a kick in the pants  
I'm gonna give it to him

I'm a hard work drivin' man  
I'm a hard work drivin' man  
I'm a hard work drivin' man  
Hard work drivin' man

I got blisters on my fingers  
My back's so sore  
I'm gonna spend all my money  
On some pretty two dollar whore

I'm a hard work drivin' man  
I'm a hard work drivin' man  
I'm a hard work drivin' man  
Hard work drivin' man
