Come with me now, Child of Darkness, Come with me
into the night.

Let me show you this land of enchantment. Let me be
your guiding light.

This world is dead; it's broken its back,

But I can show you what's being done.

It all lies hidden within your soul, girl,

Use your mind and It will come.

My Child of Darkness has given her gift Of love, lust
and burning desire.

She lies now while the wind blows gently, Carry Her
charms to set the night on fire.
