Liebling.

When you take the time To stop and think

That life is just a game,

You realize it don't Matter what you do,

Â'Cause it all ends up the same.

You live all The Dreams and heartaches,

All the joys of today,

You know it can't mean a thing

Â'Cause life only ends one way.

Just go on down The road alone;

Come ever closer to Doom.

Death's round the bend Every day,

so Seal the door to your tomb.
