[Syke talking]

I'm tired ah niggas in this motherfuckin' rap game  
Talking 'bout what they done did and what they gon' do  
What set the from and all this bullshit,  
Nigga I done ran a TRW on yo punk ass  
Nigga you ain't even got no hood  
So what the fuck is you talkin' about?, Nigga,

Chorus:

Just be yo self,  
Everybody wanna be somebody else  
Just be yo self  
Just be yo self,  
Everybody wanna be somebody else  
Just be yo self  
Just be yo self,  
Why you wanna be somebody else?  
Just be yo self  
Just be yo self,  
Everybody wanna be somebody else, nigga

Verse 1:

Fool can you see yo self?  
Everytime I come around you's somebody else  
Gettin' played to the left cause you steady changin'  
Never quoted in but you bangin'  
Part time slanga, one in the chamber for the anger  
That you build inside but you never ride,  
Homicidal tendencies, niggas please,  
Shakin' fleas, three hundred an' eighty degrees  
Trained and schooled by Gs, you can check,  
Pickin' up my minum, hit 'em, leaving 'em wrecked,  
Fuck yo set, now I'm older wid bouldgers and birds  
Overseas bringin' kis to the su-burbs  
What's the word not this imitation rap shit,  
Niggas make up shit, so they counterfeit  
I don't feel that shit, from this napple generation  
Cause they full ah perpetration  
Bitch made niggas they follow they copy  
I'm authentic motherfucka can't stop me

Carbon copies the essence of some, presence  
Don't call me for no motherfuckin' reference  
Nigga be yo self

Chorus

Verse 2:

Have you really flipped kis, about yo cheese, stackin'  
Gs  
Or is it all fictional thoughts that you perceive?  
Many fleas get in the rap game but claim something  
different  
Like being a hog from a iffin', what is it?,  
That makes imitations speak on legend ways  
No affiliation wid nothing on ya resume  
Became a rapper now G overnight  
Soaking up game like a parasite alright,  
I'm tired ah weenies and beanies in Starter hats  
And killin' everythang on these fuckin' raps, per-haps  
We need to throw a meeting in yo hood  
Nigga don't know me catch a beatin' in my hood  
It's understood from the West to the Eastside  
Slide wid the riders and suiciders, life biters,  
In the mix full ah tricks and they phony,  
Ya own homie told me...  
You ain't being yo self

Chorus

Verse 3:

You heard my style but not the voice wid it  
Somebody bided I guess it fitted,  
I got more style than a lifer on a wave pal  
Upside down smiles stayin' thuggin' in the meanwhile  
Bustas beware, don't stare I got a evil passion,  
Thug passsion on control, ballin' assassin  
Let me floss, playa boss, picture me satelite  
Kickin' up dust fiends rush, block sold up tight  
Syke Capone, roll alone from set to set  
Hangin' wid Ninos and gangbangin' vets  
Respect the fact pack a Mac if your pocket's flat  
I'm puttin' down moves from Jersey to Sac  
Felony acts involve murders never solved my brother,  
Followed around by the federal undercover  
They wanna smother a killer  
I'm the nigga yo hood hate  
Fuck wid me and I'll smash yo hood to another state,  
Call me Syke psychoactive the troublemost  
Let's make a toast to the Inglewatts overdose,

And all these playa ass niggas out here  
That's just being theyself, nigga,

Chorus

Verse 4:

Baby I can't forget about you  
You want reproduction of yo whole crew  
Outfits shows the center of your character,  
Split personalities like an actor  
Had to backtrack it cause they counter off  
Tryna make a thug nigga go soft,  
Doublecross, a hoe if you don't know  
Stayin' focused on my cash as I lay low  
There he go, the clepto-maniac,  
And I ain't gon' never change nigga fuck dat

[Syke talks]

Yeah, ain't gon' never change on these niggas  
I'm being myself from beginning to end nigga  
When you see me, you know I'm being myself nigga  
Ain't nobody else I can be but my motherfuckin' self  
Let the bustas be somebody else

Chorus (wid Syke givin' shoutouts and talking)
