(Luttinen, Jarvaet al)

You know the feeling when you're locked in a dark and
lonely
place, barely alive from another Night of the Iguanas
And instead of trying to find a doorÂ... All you can
doÂ... is bang
your skull 'gainst the wall!
(Yeah, I know that you know. And you know that I do
too.)
Betrayed my country, my family, Betrayed my friends,
betrayed
my love - They cursed me.
I could have diedÂ... so long ago, But this fucken world
won't let
me go, Ol' Harry cares for his own!
I cannot seeÂ... I cannot breatheÂ... I cannot beÂ...
When I feelÂ... Like a fish out of the waterÂ...
Like a beast, like a beast without its clawÂ...

In/Out X I am the Bunker King X In/Out X And I can't do
anything
alright X In/Out - coming in, coming out, coming in

In/Out X And the walls keep coming inÂ... X In/Out X
Me, the
Bunker King X In/Out X And I can't and I can't do one
fucken
thing right!
In/Out - coming in, coming out, coming in!

X Solo AR / MV / AR / MV X

In/Out X I am the Bunker King X In/Out X And I can't do
anything
alright X In/Out - coming in, coming out, coming in
In/Out X And the walls keep coming inÂ... X In/Out X
Meet the
Bunker King X In/Out X And I can't and I can't do one
fucken
thing right!
In/Out - coming in, coming out, coming in!

(Ya kno' what I mean, & cÂ...), Like a beast, like a beast
without
its clawÂ...

In/Out X I am the Bunker King X In/Out X And the walls
keep
coming in on me X In/Out - coming in , coming out,
coming in!
