Right!

X Solo MV X

Blest' are those who cannot see reality in all its ruthless
misery

For what doesn't kill you ought to make you stronger

Yet the more you endure, the pain lasts longer and

longer and

longer and longerÂ...

X Solo AR X

All the losses that lie ahead, And all the sufferings

which yet

raise their head

For those whom the gods love, oh, they will die young

And as if the bestÂ... so is the very worst yet to

comeÂ...

No! Nothing hereafter X Behold! Nothing there for you

X Another

day! Nothing hereafter X Another morn! Nothing there

for you

This is it! This is the real thing!

And all that you will ever know is right here, right now,

in front

of your eyes!

So if you don't like itÂ... Well now, the choice is free:

Just get out

of my sight! Or try to enjoy your stay

In the meantime, you can be sure there will be always

someone

or something trying to break you

'Cause reality, it is the worst and best you'll ever know!

No! Nothing hereafter X Behold! Nothing there for you

X Another

day! Nothing hereafter X Another morn! Nothing

thereÂ...&cÂ...

X Solo MV X

So hollow be.
