(Jarva et al)

Woe to theeÂ... Children of the Night
Hear the sweetest music playing in your mind?
Who hath "The Understanding"?
Who knows "The Final Truth"?
Couldn't care much less no moreÂ...
So go and waste your youth

'Cause some were born to win and some they live
to lose!
Some live like they were kings but they are only
fools!
(damn fools)

The train kept a-rollin' 'til the bitter end
Dropped you down at a Dead-End Station to your
Living Hell
Can you see the light at the end of your tunnel?
Or at the end of your rainbowÂ...
Is there a treasure there at all?

'Cause some were born to win and some they live
to lose!
Some live just by their will while some are slaves

for rules!
(no rules)
But there's one thing you can't chooseÂ...
Got the Sanguinary Blues!

Lead - MV

Remember that ol' tale about them Crossroads?
Well, take a look in your heart and you'll know that
it's true!
And what about those scars in your arms?
Go on - Come now - Just do it, son!!!

'Cause some were born to win and some they live

to lose!
Some live like they were kings but they are only
fools!
(you lose)
Yet this one thing you can't chooseÂ...
Got the Sanguinary Blues!

Lead - MV

The train kept a-rollin'Â...
