"Rhythm Of The Rain"

Visit "[Rhythm Of The Rain](#)" on MotoLyrics.com

Listen to the rhythm of the falling rain telling me just
what a fool I've been
I wish that it would go and let me cry in vain and let me
be alone again

The only girl I care about has gone away looking for a
brand new start
But little while she know that when she left that day
along with her she took my heart
Listen to the rhythm ...

Now rain please tell me cause that seem fair
For her they steal my heart away and she don't care
I can't love another when my heart's somewhere far
away
The only one I care about...
Listen to the rhythm ...
