I Work All Day On A Printing Machine
In A Dirty Old Factory
When I Come Home I Don't Want To Fight
Just Want Somebody To Hold Me Tight

I've Always Shown Respect To You
I've Never Let You Down
I Always Let You Have Your Life
So Now Let Me Have Mine

Let Me Have Mine

All That I Want Is Just A Little Care
Don't Wanna Dream My Dreams Anymore
All That I Need Is Someone To Be There
This Is What I'm Looking For

Where Do We Go If We Go On Like This
How Is It Gonna Be ?
So Before We Step Into Hell On Earth
You'd Better Set Me Free

Set e Free

All That I Want Is Just A Little Care
Don't Wanna Dream My Dreams Anymore
All That I Need Is Someone To Be There
This Is What I'm Looking For
