When He's Sitting Behind Grey Walls So Naked  
All The Barbed Wires Round His Life  
Twisted Into A Rope Without Compassion For Him  
Give A Fool Enough Rope And He'll Hang Himself

For The Jailers It's Clear They Act In The Law's Name  
They Can't Conceive What's Right, What's Wrong  
Indeed  
Wretched Figures Through Spyholes Ghostly Echoes  
Announce  
The Trap Door To Hell Can't Be Far Away

Striver Stands, Lies And Sits In His Cell And Is Full Of  
Fear  
When Someone Unlocks His Cell Without An Actual Key  
Skeleton's Eyes Are Smiling, The Smile Of Eternity  
He Enters The Room In Order To Explain What's  
Coming:  
Now The Die Is Cast, It Is On The Record  
Call It Fate, Call It Death  
It's Just A Time Game

Can You See What It Means To Be Called To Account  
To Be Called To Account By Society  
They've Got Their Codes And Ethics, Logic Laws  
But They Don't Give A Single Damn For Me

Striver Stood, Lay And Sat In His Cell And Was Full Of  
Fear  
When Someone Unlocked His Cell Without An Actual  
Key  
Skeleton's Eyes Are Smiling, The Smile Of Eternity  
He Entered The Room In Order To Explain What Was  
Coming  
Now The Die Is Cast, It Is On The Record  
Call It Fate, Call It Death  
It Is Just A Time Game

They've Got Their Codes And Ethics, Logic Laws

But They Don't Give A Single Damn For Me
