Slow Down In A Big City-Street
Revel In A Ravishing Crash
Everyone Is Now Watchin' Spellbound
A Pause In Our Daily Rush
Keep Back ! A Traffic Cop Yells In Vain
Fascination All Around !
The Staring Crowd Seems To Be Paralysed
They're Gassed Right Out Of Their Minds ?

There's No Chance To Expect A Relief
'Cause We Need Automobiles
And In The End We Are Cancer-Meals
Never Escape The Deal
Turn Down ! Yells Our Mind, But In Vain
Fascination All Around !
All Mankind Seems To Be Paralysed
We're Gassed Right Out Of Our Minds !

(Burnt Gas)
Stiffens Your Loungs And Your Knees
(Burnt Gas)
Let You Forget You've Gotta Breathe
(Burnt Gas)
Fills Up Your Head With A Peal
(Burnt Gas)
Don't Get Excited, You're Saving A Meal
