You've Just Got Paid  
No Reason To Go Into Raptures  
Watchin' TV  
You hear Buy Buy Buy Buy Buy

Watch A Movie Show  
Tells You What Will Happen There They  
Show You Many Things  
You Hear Buy Buy Buy Buy Buy  
Maybe A Grave  
Maybe With A Coloured Fountain  
Casting Violet Beams Into The Sky

Take A Look At The Papers  
Nothin' Else But Politics And Crimes  
Among It's Advertisements  
They Say Buy Buy Buy Buy Buy  
Maybe A Girl?  
Maybe With A Real Big Bosom  
She Scares Away Your Doubts Into The Sky !

You've Just Got Paid  
No Reason To Go Into Raptures  
Watchin' TV  
You hear Buy Buy Buy Buy Buy

Watch A Movie Show  
Tells You What Will Happen There  
They Show You Many Things  
You Hear Buy Buy Buy Buy Buy  
Maybe A Grave  
Maybe With A Coloured Fountain  
Casting Violet Beams Into The Sky
