"Call Me"

I Just Met You Two Weeks Ago
I Really Liked You On The First Sight
You Kissed And You Said That You Like Me Too
It Seemed We Could Do It Alright
So Please Call Me Baby
Please Please Call Me Now

I Haven't Heard Of You For A While
I Don't Know What's Going On
I Try To Remember Your Lovely Smile
I Hope I Will See It Again
So Please Call Me Baby
Please Please Call Me Now

Sitting By The Phone All Day And Night
Trying To Make It Sound
I Left A Dozen Messages On Your Machine
Maybe You Are Just Not Around
So Please Call Me Baby
Would You Please Call Me Now

Why Don't You Tell Me The Truth
And Tell Me What You Think
I Surely Have A Right To Know
Tell Me Even If I Have To Let You Go
If You Don't Have The Guts To Speak To Me No More
Write To Me Or Send Me A Fax
Cause You Know It's Not The Right Thing To Do
To Steal Yourself Away
