I Still See You Leaving - Platform Number 9
Bleary-Eyed, Almost Asleep
You Looked StraightThrough Me, I Gave You A Sign
A Whistle And Out The Train Began To Creep

And My Caterpillar, Time Could Change A Thing
Must Admit, I Hoped It Might
You've Been Gone So Long Now
Meant To Have A Fling
Just Like A Real Butterfly In Flight

Oh, Caterpillar, I Love You Still
I Always Wanted You To Change
But Caterpillar, I Meant No ill
You Seemed So Awkward
And I Felt So Strange With You

Now I See You Standing In The Station Yard
Independent And Alone
Smiling As You See Me And So Self-Assured
Yes, Now I See How You Have To Grown

Oh, My Caterpillar, You Put Me To Shame
Do You Think I Should Have Known ?
Yeah, The Way I See It, You Have Won This Game
But Please Don't Go And Leave Me On My Own

Oh, Caterpillar, I Love You Still
I Always Wanted You To Change
But Caterpillar, I Meant No ill
You Seemed So Awkward
And I Felt So Strange With You
