When - That Strange Performance Was Over  
Someone Came, His Name Was Mister Skeleton  
He Said: "You've Been A Bureaucratic Man  
Without A Human Trait  
You Have To Die As Your Life's Meaningless  
Your Own Fault, So Listen  
I'll Do A Special With You 'Cause Your  
Train Is Long Overdue  
You Will Be  
Surrendered  
To The Close-Meshed Nets Of Law  
They Always Find A Reason  
To Put Out A Soul  
Maybe Health And Life Depend  
On The Regime You're In  
And On Your Attitude

Our Hero's Lost Himself In A Maze  
He Comes Forward To A Trial  
Not Knowing How Or Why

He Is The Accused Right There In The Dock  
Jury Talks About Him  
In Terms He Never Heard

No Speech For Defence, No Protest At All  
The Judge Did Not Dilly-Dally  
Sent Him To The Wall

Is It Still A Film Or Reality ?  
Striver's Lost The Thread  
Not Knowing That's His Beedeepee

Lost - Not Knowing Where Or What He's Passing By  
He - Has Had His Chips They're Tasting Weird  
Smell - The Air Of Strange Incense Which Fills The  
Hall  
Why - Can't Mister Striver Perceive  
The Back Door Possibility ?
