

Birth Control "Deep Inside"

Visit "[Deep Inside](#)" on MotoLyrics.com

There's Loneliness In Every Room, In Every House
There's Loneliness Also In The Biggest Town
There's Loneliness Everywhere You Look Around

The Heart And Head Of All The People
Working For Themselves
But Deep Inside They Know They Need This
Love To Feel Alright

You See Many Lights Through The Windows Shining Out
No One's Looking Out To Help Someone Who's
Feelin' Down
You Hear Strange Voices Your Feet Step On The
Ground

The Heart And Head Of All The People
Working For Themselves
But Deep Inside They Know They Need This
Love To Feel Alright

Deep Inside, Deep Inside

The Heart And Head Of All The People
Working For Themselves
But Deep Inside They Know They Need This
Love To Feel Alright

Deep Inside, Deep Inside, Deep Inside
