I'm Only Sayin' What's On My Mind
Declare No Resolution
Though Everything I Say Maybe Bring You Down
Just Look Around And See The World
Damaged Circulations
The Weight Of Indecisions And Fear Is All Around

Protective Clothing Our Uniform
20 Years From Now
Trees Without Leaves At Summertime
Will Never Cast A Cloud, Never Cast A Cloud

And If Your Wife Is Near Her Time
You Fear For Malformation
I've Been Told Seveso, Seveso's Everywhere
Contaminated Molecules
Violate Your Life-Strings
Waste The Cows And The Sheep
Just 'Em Bare

Protective Clothing Our Uniform
20 Years From Now
Trees Without Leaves At Summertime
Will Never Cast A Cloud, Never Cast A Cloud

(Doom Boom)
Your Growin' Soon, You Torture Every Nation
(Doom Boom)
Your Out Of Tune With Everything We Knew
(Doom Boom)
There Is No Room For Hope And Evocation
(Doom Boom)
Are You The Ruin Of Every Human Race ?
