How Can I Live My Life Without You
How Can I Love If You're Not There
Can You Go On Living Without Me
Well If You Can, My Girl, I Don't Understand, Oh No

If You Can Forget The Way Things Were
I'll Take A Bet, It's Not For Long, Oh No
I Guess You'll Think It Over For Right Or Wrong
And You'll Come Back To Me, My Girl To Me Waiting
Here

I've Never Been In Love Like This Before
I've Never Seen And Felt My World Fall Apart
Last Time I Saw You When You Slammed The Door
I Thought You'd Be Right Back For A Brand New Start
Now I Want You So Much More

I've Had Enough Of Lonely Living
I Need You Here And Now And I'll Do All The Giving
I Guess I Took To Much And Played Around
I Guess I Understand
And You'll Come Back To Me, My Girl
To Me Waiting Here

I've Never Been In Love Like This Before
I've Never Seen And Felt My World Fall Apart
Last Time I Saw You When You Slammed The Door
I Thought You'd Be Right Back For A Brand New Start
Now I Want You So Much
More I'd Stay With You, Now I Like It Here

I Want It - I Want You Back - Back To Me
Love With You - Be With You -
Love With You I Could Live Again
And Love Again I'd Never Ever, I'd Never Ever
Disappear
