Now Close Your Eyes, I'm Sure You Will See
The Colours In Your Mind Will Be Shining Real
Turn Out The Lights The Autumn Leaves
Burning In The House
Let Your Body Feel Free

Follow Me To The Unknown Land
There's Nothin' But Peace
Give Up Your Mind Help Me Find
A Paradise For You And Me

(Repeat Once)

Let Us Do It Now
Let The Clock Run
Let Us Spend Our Time
With The Feeling That Is Real
Let Me Touch Your Skin
And Feel Your Pulse Now
Now Get Ready
Let Us Do It Now
