I Spent My Life Building Up
A Fortress Round My Heart
I Thought I Was Invincible
I Thought That I Was Safe

You Didn't Need Tanks, You Didn't Need Guns
You Didn't Need A Sword, You Didn't Need Men
You Just Used Your Words

Tanks And Airplanes, Machine Guns
Could've Never Made Me Cry
You Came Along Just Stepped Right In
I Thought I Was To Die

You Didn't Need Tanks, You Didn't Need Guns
You Didn't Need A Sword, You Didn't Need Men
You Just Used Your Words

You Sent A Love Strike Right Into My Heart
The Walls Broke, You Tore My Soul Apart

You Didn't Need Tanks, You Didn't Need Guns
You Didn't Need A Sword, You Didn't Need Men
You Just Used Your Words

You Sent A Love Strike Right Into My Heart
The Walls Broke, You Tore My Soul Apart
You Sent A Love Strike Right Into My Heart
The Battle Was Lost, Right From The Start
