Now You May Asked, What We Forecast
Do Not Plough Sand, Make Your Own Stand
Just A Story, Without Glory
Propheying, No More Dying
When You Meet Your Mister Scheloton
Tell Him That You Know Him Well
He Will Smile And Perhaps Wink At You
Watch His Electric Spell

Up Mountainsides, Having No Guides
Down The Valleys, Over Big Seas
Stream Of Changes, It Deranges
Time Is My Grass, Got No Mantras
Deathless Ditty Â– Sung Forever
For The City Â– For The City-Man

Beedeepees Are Doors So Hard To Find
Do Not Seek Them, Better Not To Mind
When Your Brain Is Working You'Âll Be Fine
(Death'Â's Gonna Come To All Of Us)
Got To Watch Your Body, Or Else You Die
(Ashes To Ashes, Dust To Dust)

No Time To Die, To Die Today (To Die Today)
Now It'Â's The Time To Disobey (To Disobey)
Tell Him You Got No Time To Stay (No Time To Stay)
We Have To Stay Anyway So Everyday Play !

No Time To Die, To Die Today (To Die Today)
Now It'Â's The Time To Disobey (To Disobey)
Tell Him You Got No Time To Stay (No Time To Stay)
We Have To Stay Everyday Anyway
We Have To Stay Everyday Anyway
We Have To Stay Everyday Anyway
We Have To Stay Everyday Anyway
