Everywhere I Look Now  
I See Things That Make Me Think Of You  
You Affect Me Somehow  
But I Can't Shake You Off, No Matter What I Do

You Have Made Me Suffer  
Infecting Me With The Germ Of Love  
If I Had Been Tougher  
I Could Have Resisted You Enough

Why D'You Pick On Me ?  
(I Could've Done Without You)  
Choosing Me From All The Men That You Knew  
Why D'You Pick On Me ?  
(I Did What I Could Do)  
But Right Now I Can't Tear Myself Free  
Oh No No No No... - From You, Babe

You Are Like No Other  
Girl I've Ever Come Across Before  
A Friend, A Foe, A Lover  
And You Got Me Coming Back, Oh, To Grab Some More

Had No Way Of Knowing  
Things Would End Up Looking Quite Like This  
I Knew Which Way They're Going  
When You Said, Let Us Go To Bed

Why D'You Pick On Me ?  
(I Could've Done Without You)  
Choosing Me From All The Men That You Knew  
Why D'You Pick On Me ?  
(I Did What I Could Do)  
But Right Now I Can't Tear Myself Free  
Oh No No No No... - From You, Babe
