Why Do Children Die  
Just Straight After Their Birth  
They Never Have A Chance  
To See What Life Is Worth

Who Invented Hunger  
Who Invented War  
What Will There Be After  
What Has Been Before

Why Did He Give Power  
To Irresponsible Despots  
Who Oppress Their People  
Making Their Lives Desperate

Why Are Some Fools  
Others Being Wise  
Does Life Make A Sense  
Before Comes Paradise ?

Tell Me Preacher Man  
Tell Me How It Is  
Tell Me Why Your God Has  
Built The World Like This
