Sad Fan  
Been One For More Than Fourteen Years  
Sad Fan  
Sharing Loves And Hates And All His Fears  
Sad Fan  
And For Him You've Cried So Many Tears  
Sad Fan  
His Voice Was Always Music In Your Ears

Well You Loved For All Of Your Worth  
And When He Died You Nearly Did To  
Gave His Body To The Earth  
Well, He Left In The Summer  
Leaving On Your Own  
And He Was Calling For His Mamma And Sang Oh....

Sad Fan  
Still A Child When You First Saw Him  
Sad Fan  
Seeing Him Was To Adore Him  
Sad Fan  
Adoration Made You Blind  
Sad Fan  
Noe He's Gone And Left You Behind

Well You Loved For All Of Your Worth  
And When He Died You Nearly Did To  
Gave His Body To The Earth  
Well, He Left In The Summer  
Leaving On Your Own  
And He Was Calling For His Mamma And Sang Oh....
