Seems Like It's Confusion, Spinning In My Head
I Can't Think Or Speak Straight Just Look At You Instead
And Your Eyes They Tantalize Fill Me Full Of Dread

Oh, What Is This Power You've Got Over Me
Each Second's An Hour Can't Pull Myself Free From You

You're Just Like Medusa With Snakes In Her Hair
Don't Turn Me Into Stone I've Got Some Life To Spare
Can't Leave You Alone Although You Try To Scare

Oh, What Is This Power You've Got Over Me
I'm Not A Coward But Set Me Free
Soften Up For Me, Listen To My Plea
Don't Play It Your Way, Listen To What I Say
Oh Yeah Right Now, Yeah Listen
Oh Yeah Right Now
Yeah Listen To Me

Oh I've Got Away, From Girls In My Day
If You Want Me Near, I'll Just Disappear
Soften Up For Me, Listen To My Plea
Don't Play It Your Way, Listen To What I Say
Oh Yeah Right Now, Yeah Listen
I Gotta See Right Now, Yeah Listen
Ohoho Right Now, Yeah Listen To Me
Oh Yeah Right Now, Yeah Listen To Me Then We'll See

Seems Like It's Confusion's Got You In It's Power
Can't You Speak Or Think, Girl, Yeah, Now Is The Hour
My Eyes, Don't Touch You
I Don't Wanna Hurt You
Let's Go Come Together
It's Only Confusion, Only Confusion, C'mon Girl
