Don't Leave Your Home Tonight
Don't Let Your Neighbour In Just Barricade Your Door
Close Your Windows Tight
And Put The Children Right Down On The Floor
ABC-Alarm
Aberration In The NATO Air Traffic Control
Soldiers To Your Arms !
The Situation's Gettin' Worse Now We've Been Told

The Damage Is Done My Friend, Your Life Has An Open
End
The Damage Is Done My Friend
No Chance At All To Keep The Dawn Away
Yeah, To Keep The Dawn Away

Get Ready Boys, Get Ready Girls
We're On A One-Way Street To Hell
Get Ready Boys, Get Ready Girls
The Day Of Doom Is Coming Any Day, To You

You Got To Hold The Line
We Will Inform You Of Developments In Time
Have A Glass Of Wine
Do What You Like To Find Peace Of Mind
The Battle Axe Of War
Has Not Proven She Command Will Play For Time
We Ain't Got No News
There's Always Pandemonium On The Line

The Damage Is Done My Friend, Your Life Has An Open
End
The Damage Is Done My Friend
No Chance At All To Keep The Dawn Away
Yeah, To Keep The Dawn Away

Get Ready Boys, Get Ready Girls
We're On A One-Way Street To Hell
Get Ready Boys, Get Ready Girls
The Day Of Doom Is Coming Any Day, To You

Explosion Here, Explosion There
Just Hatred In The Atmosphere

No Chance At All To Get Away
Tomorrow Is No Other Day

The Pope Just Emigrates To Mars
His Blessing Hand Now Wears A Cast
The President Is Playing Chess
He's Eating More And Talking Less

The Firmament Is Filled With Fog
And Who Dies First Me Or My Dog
No Chance At All To Get Away
Heeey, The Day Of Doom Is Coming
