You Think You're Cool You're The Last Survivor  
The Only Girl Who Can Pay Her Way  
Now You've Left School You're An Advertiser  
In Daddy's Firm, But I Don't

Care You've Got A Car And A Horse That Races  
You're With The Right People All The Time  
But When I See Their Stuck-Up Faces  
I Want To Shout Out It's A Crime

Oh, What Has Happened To You Girl  
Where Do You Think You're At ?  
You Used To Be Part Of My World  
But There's No Going Back  
You Could Have Stayed Around With Me  
Less Money And Less Flash  
But You Would Have Felt So Free  
With More Love And Less Cash, Yeah

With More Love, Yeah! Yeah!
