Turn Off Your TV And Your Radio
An Announcement's Comin' In From Outer Space
You'd Better Be Prepared To Go
And Leave This Planet For A Safer Place
In Another 24 Hours Or so This Earth Is To Explode
So You Will Have To Go

Flights Have Long Been Arranged For You So Come
Inside
If You Don't It's Suicide
So Gather All Your Loved-Ones Around You And Come
Away
There's No Other Way

Turn Off Your TV And Your Radio
This Announcement's For The Second And Last Time
In The Hope That You're Prepared To Go
There's Just An Hour Left Before We Climb
This Will Be Your First Interstellar Trip
But Don't Be Unnerved
When You're Aboard Our Spaceship

For Nearly Twenty Million Years We've Been Saving
Lives
And We've Been Calming Fears
So Join Us Now On This Trip Through Space
To Save The Human Race, We'll Save The Human
Race

And So The Rescue Went, According To Plan
And So The Rescue Went, According To Plan
And So The Rescue Went, According To Plan
And So The Rescue Went, According To Plan

Safe And Sound

For Nearly Twenty Million Years We've Been Saving
Lives
And We've Been Calming Fears
So Join Us Now On This Trip Through Space
To Save The Human Race,
We'll Save The Human Race
