Like The Shades on A Sun Dial
Weeps The Grieve Into My Dream
Makes Me Restless, Nervous And Helpless
Now The Course Don't Upon Me

I See Your Face Leavin' In The Darkness
Here My Lips Whisper Your Name
But In My Ears There's No Answer
While's The Course Don't Upon Me

Together Alone, Together Alone,
Together Alone, Together Alone Tonight

When You Cry When You Cry For Me
I'll Be Deaf Although You Near To Me

When The Dawn Close Our Room In Grey
I'll Be Sure Than I Longed For The Day

Yeah, Together Alone Tonight
Yeah, I Don't Tell You No Lie
Together Alone Tonight,
Together Alone Tonight,
Together Alone Tonight,
Together Alone Tonight
