You Told Me Its All Over  
That You'd Made Up Your Mind  
To Leave Me For Good  
There Was Nothing I Could Do Or Say  
That Could Change Your Mind, Make You Stay  
I Didn't Realise How Much I'd Hurt You  
How Many Painful Lonely Times  
I Made You Go Through  
Now I Know And I Feel Like Dying  
But I'll Take The Pain And The Lonely Heartache  
Hoping Against Hope You Might Come Back

My Heart Cries Out For You  
Now That - You've Gone Away  
I Lie Alone At Night, Praying For The Day  
So I Can Numb The Pain  
Pretend Again  
All Is Well, I'm Alright Until The Night

Must Have Been Deaf, Dumb And Blind  
Not To See All The Love That Was Before Me  
Now That You Are Gone  
Even In A Crowd I'm So Alone  
So Incomplete Like Half A Man  
Mm Sit Nursing My Drink Trying Not To Think  
Turning Away Every Now And Again  
So My Friends Won't See, Won't See The Pain  
And Tears In My Eyes

The Doors Always Open  
To My House, To My Heart  
If You Ever Want  
To Come Back Home

I'll Try To Hide The Pain  
To Pretend Yet Again  
All Is Well, I'm Alright Until The Night
