Misty Shadows Hanging Over Me
Telling Me No Good
Eyes Of Vicious Creatures
Are Shining Through The Underwood
I Have To Pass Through
The Valley Of Darkness

Far On The Horizon I Can See A Silver Light
Maybe I Find Peace On The Other Side

I Don't Know Where To Put My Next Step
It's Too Dark To See The Ground
But I Hear That I'm Not Alone
Many Voices Of Lost Souls Around
We All Have To Pass
The Valley Of Darkness

Far On The Horizon I Can See A Silver Light
Maybe I Find Peace On The Other Side

Far On The Horizon I Can See A Silver Light
Maybe I Find Peace On The Other Side
There's No Secret Escape
There's No Other Way
I Have To Go Through All This
Then I'll See The Day
