1 Â– Through the streets of illusion  
2 Â– Through the streets of hell  
3 Â– I know I am fading  
4 Â– But IÂ’ve got your soul to sell  
5 Â– I feel like jack the ripper  
6 Â– IÂ’m like his screaming whore  
7 Â– Twist the blade again  
8 Â– WeÂ’ve evened up the score

Â…And I  
I want to walk the streets  
Â…In hell  
I want to cross the line  
Â…In hell  
I want to feel the pressureÂ…  
I CAN LIVE FOREVER  
Â…And I  
I want to drag my mind  
Â…Through hell  
I want to drag my soul  
Â…Through hell  
I want to scream with the harpies  
I WAS BUILT TO BURN

1 Â– Through the streets of heaven  
2 Â– Through the streets of hell  
3 Â– I hear the angels crying  
4 Â– I hear the doomsday bell  
5 Â– I am walking towards the deadlights  
6 Â– IÂ’m walking from the strain  
7 Â– But with rest comes death  
8 Â– IÂ’m fighting back againÂ…

Â…And I  
I want to walk the streets  
Â…In hell  
I want to cross the line  
Â…In hell  
I want to feel the pressureÂ…  
I CAN LIVE FOREVER  
Â…And I  
I want to drag my mind

Â...Through hell  
I want to drag my soul  
Â...Through hell  
I want to scream with the banshees  
I WAS BUILT TO BURN

Â...BURNÂ...
