Into the night where I will dream  
Seeing all these things that you could not see  
Drinking the blood from a devils hand  
Chewing at my soul just like burning sand  
I'm right here listening to the call  
Fucking the sisters - having them all  
In the hands of this devil now  
Now I bury myself...deep in the ground

...and I know...that I'm dreaming...  
...and I know...that I'm screaming...

Into this night where I will dream  
Death by numbers where the children scream  
I'm right here listening to them call  
This devil is walking in my everfall  
I'm right here dancing in his hell  
The waltz of the demons - ringing their bell  
There is nothing left for this devil in me  
Fucking my wrists - making me bleed

...and I know...that I'm dreaming...  
...and I know...that I'm screaming...
