Iâ€™m in the pit and I canâ€™t figure it out  
Guilty!!! Â– The headlines scream and shout  
Where I was is where I should never be  
This is the crime of the century

Here I am and Iâ€™m dancing on the line  
Scared I sit and I am burning down in time  
Here I am behind enemy lines  
I was caught - live at the scene of the crime

Iâ€™m on the run and I wish I could see  
What theyâ€™re doing to you and me  
Through the streets and into the night  
So far away from the suns soothing light

Here I am and Iâ€™m dancing on the line  
Scared I sit and I am burning down in time  
Here I am behind enemy lines  
I was caught - live at the scene of the crime

Here I am and Iâ€™m dancing on the line  
Scared I sit and I am burning down in time  
Here I am behind enemy lines  
I was caught - live at the scene of the crime
